The following list of travel medicine clinics has been compiled using multiple available listings. This listing is by no means complete.

This listing does not imply that Public Health Agency of Canada endorses the standard of practice for any of the travel medicine clinics listed.

**Under Article 66 of the International Health Regulations, "the vaccinating centre for Yellow Fever must have been designated by the health administration for the territory in which it is situated." In Canada, the Public Health Agency of Canada's Travel Medicine Program designates Yellow Fever centres. Yellow Fever vaccination can only be provided at designated Yellow Fever centres. Clinics which are designated Yellow Fever centres are indicated with an asterisk in the second from right-hand column.**

Any errors or updates to this list should be brought to the attention of the Yellow Fever Vaccination Program, Centre for Emergency Preparedness and Response, Public Health Agency of Canada at (613) 957-8739.
